

Works Cited - MLA

A Works Cited page is a list of all the sources you have used for your paper!

- a Works Cited page appears as its own page(s) at the end of your essay/powerpoint
- centre the title, Works Cited, at the top
- list your sources alphabetically by author's last name (use *title* if author is unknown)
- double space your Works Cited page
- include a hanging indent for all citations that are two lines long or more (to do this hit *enter* and then the *tab* key)
